

COME TO ME NOW IN THE STILLNESS

This is My guidance unto you, My Little Ones, and Wisdom from on High. Go into your prayer closets and BE STILL BEFORE ME. That is the only thing that you can do for Me that is right and perfect...

Consider what I say. Die to all that removes thy heart away from its Center, which is Me at the Mercy Seat of the Ark in thy heart.

Offer all of you that I may cleanse and polish and bestow unto thee all of Me to reside in your temple, sitting upon My Mercy Seat where you are concerned.

Come unto ME that ye might learn to hear MY WORDS always before you do anything.
