and the kings of the Earth that are upon the Earth..." Isaiah 24:21*

THE CANDLE WICK

I lit a candle. Then The Lord said:

The wick is able to grasp the flame and to hold it. What is the wick without the oil to fuel it? It is but a dry string covered with wax. But as the candle burns the oil is absorbed by the fiber filaments of the wick and it is transferred up the string to fuel the flame to continue burning at an even pace. No oil and the flame ceases to burn.

The wick is but a string, but it is the conduit for the oil. The flame must be Mine or it is "strange fire" to Me. Cain's sacrifice burnt with the fire of the ego, because Mine would not fall upon it. Man can sacrifice many things to Me of the works he hath done by his intent to please through the "apparent" goods that he does, but the interior—this is the truth of the man! And this I desire to be Mine own Kingdom; yea, the New Jerusalem Kingdom within.

So long as the outward is white-washed with "goodness" and exterior "kindness" and niceties, yet the interior bespeaks hatred, condemnation and self-will, these will come spilling outward and show themselves ere long. You cannot hide an evil fountain from springing forth once in a while. The greater the hatred or the condemning, the more it escapes from the lips in bitter expressions sometimes.

All could know their own hearts and that of others for the most part by what they talk about most often. The heart can be read in the cherished conversations. Superficiality shows openly in self filled chatter.

Life is a *sharing* of one's essence of being with another through conversation, sharing something from within. Was it beneficial? Beneficial to whom? Was self glorified or man? Was that person helped or hindered in his or her growth? *Upon thine own selves must ye exercise judgment, My Children.* Each one of you take and assessment upon that ye speak in conversation with others and see your own "contribution" for what it is.

All that you are, as in your job title, career—whatever it is—as to your financial status also, it is but nothingness compared to who you are, as the "child" spirit creature you are, with gifts and talents bestowed, which most either aren't using, or they are using it for ill and not for good purposes. Be prepared to realize your responsibility for how you used these. If I have given you talents, use them to benefit others and to show a profit ratio unto Me. Bury not thy talent in earthliness, squandering thy time in selfish endeavors and pursuits lest thou lose the talent given thee.

I AM The Pearl of Great Price or Value hidden deep within you. I AM the Oil and the Flame of Holy Spirit to light you, My wick. And ye are to be a channel for My glory to pass through as through a dimensional portal, *for that ye are. A dimensional portal* for something to pass through onto the Earth plane in manifestations of hellish or heavenly will. Thus ye are "*dispensers*" of the one sort or the other. What ye allow to "brew" inside

of you comes out in toxic conversations. Sometimes like vomit it spews out, full of corruption. Upon the other it flows and corrupts them likewise. What you are giving others will reflect in their attitudes toward you. Except hate be abandoned totally, ye will be injurious toward others. Except weeds of bitterness be torn out, they will defile you.

So look to your speech, My Children and see what lies hidden within. See that thy wick goes not out from lack of time spent communicating with Me, the Divinity within thee. The Kingdom of Heaven comes not with outward looking. The Kingdom of Heaven is to be within thee. As thou dost acknowledge Me, seeking My will, I will direct thy path. Though thousands fall at thy side; and ten thousand at thy right hand, it shall not come nigh thee. We shall walk victoriously together as ye consort with Me. I bring the success and all comes to be "good" for you in the end. Even the seemingly "bad" things look that way.

I hear your cries to Me, My Children, for help and for solace and peace to be given you, and clarity of mind. As many things are changing as to your perspective of the truths of your world that are being revealed, let it spur you onward as to the *completion* of your training program. Let it cause you to gird up the loins of your mind (the creative sector) to stand strong in Me, holding My hand, putting on your Lord Jesus Christ, letting Him manifest out of you as out of portals; "stargates" through which one might pass, from one dimension stepping through into another.

The Holy Spirit was given utterance through the portals My people and apostles became. They knew not what to speak but it was given them in that hour what they should say. You could say they heard it "extra-dimensionally". The holy men of old wrote as they were led by Holy Spirit inspiration. These inspired passages ye call "scriptures", holy, divine manifestations. They became holy vessels; conduits of divine and holy fire; tongues of fire sat upon their heads. The wick filled with oil was able to hold the flame. They keep their lamps filled with oil. Their light goeth not out. These are known as "wise virgins".

Fully half of those who waited for Me to come neglected getting any oil and let their lamps burn out prior to My arrival. They looked to others who had, to supply their need. Finally they had to go to them who sold it to buy some. When they then arrived at My Door, they were *refused*.

Behold the notion of "readiness". Some wait feeling satisfied that they have done all, looking upon others in condemnation and calumny while feeling him or herself as "having attained." O Beware, ye who think you stand lest ye also fall through judging your brother man. You could do better by praying for him, but you can't pray when you hate.

Look to Me, Children and be as I AM, lowly and meek, unto My Father submitted so that HE might speak, might act through Me, a living sacrifice, holy and acceptable to God our Father in order to benefit you, poor lost sheep whom I came to deliver unto My Father in Oneness.

We need to manifest Ourselves to you. We need to take up our abode in you, and then through your offered up vessel to manifest divine works outwardly in this time of great chaos in your world.

With this new found knowledge you wonder what you can do. My people shall be mighty. They shall do exploits. My army is very great, consisting of many that I bring with Me. Despise not them who have ascended before thee. They work with Me. But seek to be of My heavenly armies. My Spirit must lead. Upon you I must ride, bringing forth the victory.

I have not left you comfortless. Let thy interior become a fortress of My own inhabiting, throwing off Self-Love and seek to surrender all parts of thy inner kingdom to My rule. Surely we together shall go far, whereas without My help ye are on your own. Let thine attitude be one of a light worker on a mission from Me, and seek My guidance and instruction. My fire will alight upon thee and there remain if ye will keep your vessel filled with My holy oil of anointing.

An empty lamp is little comfort to those who sit in darkness, alone and afraid. But a steady light that shines is of great comfort to them. Ye are to be lights in great darkness; pillars of the heavenly Kingdom on Earth, strong and unmoveable. Where the Divine Footprint is there is stability and an absence of fear. When we are one there is no fear. Where ye are weak I AM strong for you. And you know that I AM with you and that together all things are possible, and that all things work together to bring forth good to them that love Me.

O come and let us walk together in the light that I AM in the world! O come and BE that Light I AM! For except I be that light, ye are but in darkness and under the shadow of death, and are death's likeness while ye walk upon the Earth; dead to spirit life which is extra-dimensional to that life/reality ye know as 3-D.

Come! Ye vessels who would surrender yourselves unto Mine inhabiting. Can ye not see what most others are allowing to inhabit them? And to manifest through them? Can ye not see who it is? Some embody the forces of darkness which fight against the light and cause greater darkness and injury wherever it is. Do you see any point to wars other than great selfishness and desires to rule over all? Lust for power, greed for wealth, absolute dictatorship in tyranny and a total disdain for all? Would ye this beast rule over you?

So come to Me, out of that mental and psychological captivity. See My way and pursue ONENESS and unity with Me within. As Divine Fire I shall arise within thee and kindle thee as a great light blazing whom no man can touch.

Truly I tell you.....this time is what ye were born for. Be not mad at the loss of your luxury. Be prayful against the loss of your soul along with many others.

If My people, who are called by My Name, shall humble themselves and pray, and seek My face, and turn from their own wicked ways **then** I shall hear their prayers, and shall turn and heal their land and bless them in it. And if not I shall and must sweep them off

from it, for it is a choice land which I would give for an inheritance, not to England but to those deserving of it who humble themselves before Me upon it.

Servants of the Lord God, stand and put on thy immortal garments. Cast off the burdensome and heavy weights. If ye cannot get free then surrender it to Me, whatever it is, in order to get thyself free of it. Look unto Me; not in fear but in fullness of faith **believing** in Me and in My ability to deliver. This attitude attains, while the other feeds upon itself in negativity.

Staunch shall ye be in Me in the face of what comes. And ye are in no wise ready for it. From whatever country ye be, there is no difference between you. Trouble comes to all. Your brethren are as important as you are in the United States. There are no people "less" than you are.

Those who murder and maim in their grandiose desire to obtain shall have likewise death visited upon them. Those who do these things in the name of "America", and with brave American blood shall swim in the blood themselves. Woe unto them who betray all for their own gain and gathering of power! They shall be brought low!

Of ye yourselves, come unto Me and realize that judgment must be to unseat the usurpers. Their net is spread everywhere and is tightening. What can ye do otherwise? Who is like unto the Beast? And who can make war with him?

Be ye not terrified with the fear but stand with ME. In life or in death, be *surrendered*. I will be your Captain, speaking from within thee. I will help thee to stand in the evil day and will not leave you alone.

As I have brought forth and revealed truths through these who may know Me or know Me not, what difference is that to thee? Follow thou ME. But understand what IS! Be not foolish in hiding your eyes but know the condition of thy world. Hence ye shall be spurred on to hold My hand and to walk with Me better than ye were.

To whom do I speak thusly? To ALL I speak, and omit not one who claims to be a follower of Me. To know is to strengthen thyself against that which seeks to seize power over thee as nations and governments. How shall your end go for all the world to see? The judgment of thy own self must needs go forth now so that prepared ye will be when that other judgment comes forth upon all.

I say, FOR JUDGMENT I AM COME, for that is what is left and is the ONLY solution to these problems. "Selah" means consider it wisely, says The Most High through the Holy Christ Spirit. He that hath ears to hear, let him hear what The Spirit sayeth unto the churches. 7-28-06
